Special Members Progeny Dog

All dogs well presented and handled and were a credit to all their owners.

1st: Bawdens. Goldleigh Macloud at Darthill.

This group had the uniformity I was looking for. It's clear to see that this Male is stamping a type and producing very similar conformation. Lovely heads and good shoulders level toplines and excellent movement.

2nd: Jackson-Haines

Anguskye Run to you By Leighsham.

Another lovely boy stamping his type, just didn't quite have the uniformity I was looking for, all had lovely heads and sound movement.
